made on 8 Oct 2026 between

Acme Software Ltd, 1 Example Street, AB1 2CD Sampletown, represented by Alex Sample (Managing Director) (the “Employer”),

and

Jane Roe, born on 17 Apr 1993, residing at 7 Sample Lane, Flat 12, AB2 3EF Sampletown (the “Employee”).

1. Start and term

Employment starts on 2 Nov 2026 and is concluded for an indefinite period.

The first 3 months of employment are a probationary period. During the probationary period either party may terminate employment at any time.

2. Duties

The Employee is employed as **Software Developer** in the Product Development department. The duties include in particular:

- Development and maintenance of the ERP modules for order and warehouse management
- Contributing to the architecture of the document and reporting platform
- Code reviews and maintenance of the automated tests
- Aligning requirements with business departments and customers
- Documenting the implemented solutions

Within reason, the Employer may also assign other comparable duties to the Employee.

3. Place of work

The place of work is Sampletown, Example Street office.

The Employee may work from home up to 2 days per week. The Employer provides the equipment required for this; details are governed by a separate agreement.

4. Working hours

The regular weekly working time is 37.5 hours. The timing and distribution of working hours are agreed jointly within operational possibilities.

5. Remuneration

The gross monthly salary is **£3,650.00**, paid 12 times a year. The salary covers the agreed duties within regular working hours.

6. Annual leave

The Employee is entitled to 25 working days of annual leave per year of employment. The timing is agreed by mutual consent, taking operational requirements into account.

7. Confidentiality and data protection

The Employee undertakes to keep the Employer's business and trade secrets, as well as those of its customers, confidential. This obligation continues after employment ends.

Personal data may only be processed within the scope of the Employee's duties and in line with the internal data protection policies.

8. Other employment

The employee must notify the employer in writing in advance of any other employment that could affect the employer's interests.

The employer will review the notification and reply within a reasonable time.

9. Equipment and confidentiality of credentials

For the duration of employment the employee is provided with the necessary equipment. It remains the property of the employer and must be returned when employment ends.

Access credentials and keys must be kept safe and must not be shared with third parties.

The loss of equipment or any suspected misuse must be reported without delay.

10. Final provisions

Amendments and additions to this agreement must be made in writing. This also applies to any change to this written-form clause.

Should any provision of this sample text be invalid, the remaining content is not affected.

11. Termination

Employment may be terminated subject to the agreed notice period of one month, effective at the end of a calendar month.
